Work Experience

2006-2007 1,5 years, work for Nivodesign at the M&R Department of Jaga where I made catalogues, advertisements, product booklets for fairs and illustrations. www.theradiatorfactory.com
2005 6 months internship at FontShop International in Berlin. www.fontfont.com
My task was a.o. to check new typefaces for mistakes, to design missing characters for existing typefaces and to layout internal documents.

2003

3 months internship at Zizo! in Antwerpen. www.zizo.be
Where I designed the layout for the magazine 'KV Magazine', several posters and invitations.
